

## Moreno Faina

Moreno Faina is Director at the Università del Caffè. At illycaffè since 1982, he began working in the commercial sector, but his career path soon turned to technical consultancy. It was a short step from market quality control to training and teaching. Right from the start, he has been managing courses for professionals at Università del caffè. He founded the “Maestri dell’Espresso Junior” competition, which is addressed to Hotel and Catering schools. He is also a [SCAE](#) (Speciality Coffee Association of Europe) authorized trainer.
